

APPLICATION

Manhattan is a Mascara packaging collection made of an aluminum covered flaconette and cap with five combinable applicators. It is perfect for high-end mascara and eyelash primer products.

FEATURES

- Aluminum coated flaconette
- Cap available with ballast, for a more luxurious touch experience
- Matching different applicators: fiber or injected

MANHATTAN 10 ML

TECHNICAL DETAILS

Shape	Round
Nominal Volume	10 ml
Diameter	18.3 mm
Height	129.1 mm
Bottle material	Alu + PP
Cap material	ABS + Alu
Rod material	POM
Wiper material	Hytrel

FIBER LASHES

TECHNICAL DETAILS

Code	J180381P
Shape	Concave
Cap material	ABS + Alu
Rod material	POM
Brush material	Fiber
Performance	Volume & Curl

APPLICATOR PLUS

Woman-shaped applicator, to volumize and curve your eyelashes. The concave central body charges the lashes with product, to create the volume: the concave shape helps to curl and stylize the lashes.
